

SICILY

ature seems to have intended this land to all its wonders: mountains, hills, and above the sea, with its incredible colors, the transparency of the waters and the beauty of its waters has nothing to envy to other seas. "

A journey through the countless coves, caves and small beaches to discover and visit ...

ACIREALE

Acireale is a town in the province of Catania in Sicily. Acireale is located in a plateau on a terrace of lava, the "Timpa" that puts almost overhanging the sea. The territory is rich in water sources and green along the coast of lava arise several villages. The city is the largest municipality after that of his capital. Destroyed by an earthquake in 1693, Acireale had a real renaissance, under the sign of the Baroque. Everything from planning the plant was reconstructed. Palaces and churches took on the unique style that is still visible and that makes Acireale one of the most interesting towns of Sicily.

It's a nice place to reach during a classic car tour.

AGRIGENTO

Agrigento province has stunning scenery and the chance to immerse themselves in a magical, out of fear, an atmosphere that blends art, culture and nature in places that seem stagnated, immortal in the time of mythology. The main feature of Agrigento is its tradition, the land called "Almond Blossom", with large crops of almonds, cereals, olive groves and citrus orchards, based on the city's economy.

It's a very suggestive place to reach during your holiday or honeymoon hiring a fantastic convertible classic car

CATANIA

Catania, capital of the province of Sicily, is the second most populated city in Sicily. Internationally known to be surrounded by the Etna, the highest volcano in Europe, which each year attracts thousands of tourists from all over the world. Catania is also well known for its particular baroque architecture and urban design (the downtown area is a World Heritage Site, along with all the Val di Noto), consequences of the great earthquake of 1693 after which the city had to be rebuilt, like most of eastern Sicily. It's very nice to visit its landscape and province during a tour with a vintage car for a beautiful and interesting holiday.

CEFALU'

Cefalù is a municipality located in Palermo province on the northern coast of Sicily. The territory of Cefalu, located at the foot of a rocky promontory, offers the possibility of beautiful trails in the Madonie Park. Cefalù has a lot of history, culture and art, as evidenced by the monumental complexes that you can visit: the Cathedral of Cefalù, the Church of the Blessed Virgin Mary Chain, the former Convent of Santa Caterina. Then the Cefalù Cathedral and the medieval wash.

Cefalù is a wonderful place for a romantic honeymoon or during a tour in a classic car .

GIARDINI NAXOS

Giardini Naxos is a town of about 9,150 inhabitants and is located in Sicily, in Messina province . Located along the Tyrrhenian coast, a short walk from Taormina, Giardini Naxos is one of the most renowned summer resort of the region. Vivid is the artisan tradition of Giardini Naxos with productions of embroidery, peasant rugs, textiles, pottery and ceramics, and the famous wrought iron. The folklore is preserved in its most ancient in any custom.

Giardini Naxos is very nice for every kind of holiday, honeymoon, tour and is indicated to reach it with a convertible and elegant classic car.

PELAGIE ISLANDS

Pelagic islands represent the most southern jewel of the national system of marine protected areas Italian. Pelagic islands enclose in a single archipelago treasures and environmental characteristics which belong to two distinct continents: Africa and Europe. Almost ashamed through the Mediterranean basin, they bear witness to the interdependence of **ecological** dynamics from which can not be ignored in any program of environmental protection. It's very nice to see all of them with a tour.

AEOLIAN ISLANDS

The Aeolian Islands are the ideal places for those who love to continuously discover something nuovo. Sono seven islands and each has its characteristics that make it different from all the others and so is everything. Just think of the beaches of black sand volcano, pebble blacks stromboli and elsewhere, sandy normal in Panarea, white pumice in Lipari, in the coves of large pebbles smaller. There is a place that truly looks like another. They are very romantic and beautiful for an honeymoon or a tour.

LIPARI

The largest island of the archipelago of Aeolian. Land of sun and sea, surprised by its beauty, the volcanic rocks, the quarries of pumice stone, the spectacular obsidian flows. In terms of natural, highly attractive are the white sand beaches, crystal clear sea, the obsidian flows, the pumice quarries and the highest mountain of Lipari, Monte Chirica which offers a complete overview of all the islands Aeolian Filicudi, Alicudi, Salma, Stromboli and Panarea. Remarkable is also the regional cooking, with the production of Malvasia wine.

It's an island with nightlife , perfect for honeymoon, tour and every kind of holiday.

MARSALA

The tangle of narrow streets and alleys, the harbor and the sunny sea so close, turn away our eyes to the horizon and the warm lands of Africa. Everything here in Marsala, evokes ancient North African roots, from perfumes to the spirits of the people, the trees, the houses, those that lead straight to the ancestors Saracens, which they called the whole coast by the name of El Marsa Allah (God port). Marsala, famous for its sweet wines.

It's nice to reach during a tour on the west coast of Sicily in a classic car.

MESSINA

Messina bridge between Sicily and Calabria, divided by the homonymous strait Messina. Una beauty overlooking the sea, but also offers parks, reserves and mountains for a close contact with the natura. Dalla spectacle of the Aeolian Islands to the charm of Taormina, from the beautiful beaches to the mountains. Nice to visit during a day tour in classic car.

PALERMO

Palermo is Sicily capital , and as such collects the most characteristic elements of the region. Palermo is the most Arab city of Italy, in which the rule is still visible in the monuments and key buildings. The multi-ethnic past of the Sicilian capital, he sees even in its rich gastronomy, which combines recipes full of flavors .

Palermo is beautiful, chaotic, full of traffic, with disruptive: wonderfully contradictory, as a city outside of time and space.

It has a beautiful landscape and province to visit for an holiday in tour in classic car during an beautiful honeymoon too.

PANTELLERIA

The island of Pantelleria is one of the largest in Sicily. The landscape of Pantelleria is characterized by the clear sea with splendid sea, the beaches of volcanic sand, from rugged coastline with its coves accessible only by boat, this is all of Pantelleria a must-see destination. Landscape features are the houses: the dammusi, traditional house of Pantelleria, including on this site you will find a wide choice to spend an unforgettable holiday. Very nice for family holiday and honeymoon.

SYRACUSE

City of art, dominated by baroque architecture, typical of this area, Syracuse is home to an archaeological museum of extraordinary importance. The National Archaeological Museum, one of the largest of its kind, it retains the basic material for the knowledge of prehistory and early history of Sicily. Here you will find the Greek Theatre, the Roman Amphitheatre, the Latomia of Paradise, the Rope Makers Cave, the Altar of Lerone, the city gate, the Temple of Apollo.

It's perfect for a tour in classic car.

TAORMINA

Taormina is a town of about 10,780 inhabitants and is located in Sicily, in the province of Messina. The territory of Taormina stretches along the coast from Capo Sant'Andrea to Capo Taormina, where you will find the picturesque beaches of Mazzaro, Lido di Taormina and Isola Bella. Taormina is one of the most known and appreciated of Sicily, a charm that comes from its sea, its history and its vibrant life.

You can enjoy in Taormina a romantic honeymoon and a beautiful holiday in classic car.

TRAPANI

Positioning on the western tip of Sicily, between the Tyrrhenian Sea and the Channel of Sicily, Trapani is known as the "city of the two seas." An atmospheric place, to visit with a thorough look, prepared to the historical tradition and the natural beauty of the area. Scored in the capital of the western coast of Sicily and the capital of its own province, Trapani becomes a must for anyone who is preparing to visit the western part of the island.

It's a nice place to visit during a tour in classic car on the west coast of Sicily.

VALLE DEI TEMPLI

In the extreme south of Agrigento, lying on a ridge better known as "Valley", is the Valley of the Temples.

Temple of Concordia in perfect Doric style, with a structure that is reminiscent of the Parthenon in Athens, it is what is in the best state of preservation, in fact, having been transformed into a church in the sixth century AD was not the subject of looting of materials.

It's very interesting to reach renting a classic car for a beautiful tour in that part of Sicily.

LAMPEDUSA

Along the east coast of Africa, off the city of Tunis, emerges from the sea, the last piece of Italy, the island of Lampedusa: 11 Km to 3.7 Km, presentation of a tiny island lost in the middle of the Mediterranean. The coast has very different characteristics: the southern beaches of fine white sand alternate with rocky coves, to the north instead a series of steep cliffs inaccessible from the sea, a true paradise for seagulls, hawks and cormorants, offer a stunning show for their wild beauty . The limestone and dolomite are the rocks that characterize the soil.

It's very nice for a tour and every kind of holiday.
